

# DANSKO

AN IRISH DAIRYING BUSINESS

EST.  1986

# About us.

We are an independent, family owned dairy company, established in 1986. We specialise in sourcing and supplying dairy ingredient solutions to the global market.

We operate from our Cork City Headquarters, and our BRC accredited production facility in the 'heart of the golden vale' region in Co. Limerick.

We deliver the finest Irish produce as well as sourcing product from UK, EU, North America and Oceania, exporting both traded and value-add dairy products to over 16 countries, spanning 3 continents.

# Our Products.
